

CALHETA BEACH SPA

MASSAGES

- Face and body special Aloe Vera massage** 90 min 94€
It balances and hydrates the skin, providing a unique feeling of lightness. The skin is nourished and you will have a lasting and deep feeling of inner peace. It detoxifies and purifies the body, removing impurities, while energizing and smoothing the skin, making it glow.
- After Sun – body care** 60 min 74€
It freshens and replenishes sun damaged or over-heated skin, reducing body heat. An aloe vera gel wrap, softly applied on a sensitive skin, repairs the body's balance.
- Tibetan Massage – full body** 90 min 99€
It balances the five elements, restoring harmonious energy and vitality flux. It alleviates physical and mental strain, reduces stress, restores energy, while re-establishing inner harmony.
- Tibetan Massage – back and forehead** 60 min 69€
Ideal for releasing tensions on your head, shoulders and upper back.
- Tibetan Massage – back and feet** 60 min 69€
Perfect for relaxing muscles, releasing tensions and built-up blockages. It helps prevent and repair body dysfunctions, by pressing the feet's reflex points, rebalancing the body.
- Anti-stress massage** 60 min 79€
Ideal for addressing emotional fatigue. This treatment has a restorative effect, balancing and releasing built-up tension. The energy is released and the body recovers its balance.
- Back massage** 30 min 44€
It calms the body and relaxes the mind. It relieves stress and pain, while improving blood circulation and detoxifying the body.
- Relaxing leg massage** 30 min 44€
This massage involves manipulating and rehabilitating muscles. Appropriate for those who practice sports, to prevent and/or recover from injuries. Ideal for those who have tired and heavy legs, easing tension and muscle pain.

Full body massage 60 min 79€
Provides a balance between body, soul and mind. It releases tension in all parts of the body, provides a deep relaxation, while increasing your energy and rejuvenating muscles.

Energetic massage 45 min 74€
A revitalizing body massage. It helps release toxins, reduce fatigue and restore physical and mental strength. It promotes natural balance, leaving your mind, body and spirit with full vitality. Ideal for those feeling tired and wishing to maintain perfect body harmony.

Hot stones – full body 90 min 94€
It combines therapeutic techniques which provide muscle tension relief and achieve a deep sensation of pleasure, relaxation and well-being. It uses the thermal energy of basalt stones to offer you an intense feeling of relaxation.

Hot stones – back 50 min 74€
Relaxing massage using the thermal energy of basalt stones to release tensions, ease blockages and neutralize negative energies, promoting a state of relaxation.

Breuss massage 45 min 69€
It aims to realign the spine and the limbs, through specific techniques which correctly position joints, align vertebrae and allow to unblock energy and built-up toxins.

Stretching massage 30 min 44€
A combination of cervical, neck and shoulder stretching techniques, which help ease specific blockages, headaches and migraines.
